TERMS OF USE FOR DATA INSIGHTS

Welcome to Data Insights! By accessing and using my website, you agree to comply with the following terms of use. These terms apply to all visitors and users of Data Insights.

1. Acceptance of Terms

By accessing and using Data Insights, you acknowledge that you have read, understood, and agree to abide by these terms of use. If you do not agree with any part of these terms, please refrain from using my website.

2. Use of Content

The content presented on Data Insights, including but not limited to personal projects, data visualizations, and code snippets, is provided for informational and educational purposes only. You may view, download, and print content for personal, non-commercial use.

3. Intellectual Property

All content, including personal projects and code snippets, displayed on Data Insights is the intellectual property of the website owner. You may reproduce, distribute, or modify any content without explicit permission.

4. Code Usage

Code snippets presented on Data Insights, particularly those created in R Studio, are for educational and reference purposes only. While you may learn from and adapt the code for your own projects, you may use it for informational and education purposes only.

5. User Conduct

When using Data Insights, you agree to conduct yourself in a respectful and lawful manner. You may not engage in any activity that disrupts the website's operation or compromises the security of the site and its users.

6. Limitation of Liability

While I strive to provide accurate and up-to-date information, we make no representations or warranties of any kind regarding the completeness, accuracy, or reliability of the content. Your use of the content on Data Insights is at your own risk.

7. Changes to Terms

We reserve the right to modify these terms of use at any time. It is your responsibility to review this page periodically for updates or changes. Your continued use of Data Insights after any modifications indicates your acceptance of the revised terms.

8. Contact Information

If you have any questions or concerns regarding these terms of use, please contact me at pythiaschidas2@gmail.com

By using Data Insights, you agree to these terms of use. Thank you for visiting and respecting our policies.
